Notice of non-discriminatory policy regarding students

Mati Talent Institute Private School admits students of any race, color and national or ethnic origin to all rights, privileges, programs and activities generally agreed upon or made available to students at school. It does not discriminate on the basis of race, color and national or ethnic origin in the administration of its educational policies, admission policies, scholarship and loan programs, and extracurricular programs offered by the school.

DIPLOMAS AND ACKNOWLEDGMENTS

Honors College Preparatory Diploma

The Diploma is designed for those students who possess outstanding academic skills in most areas. The student who obtains this diploma will be ready to attend high-ranking colleges and universities.

1. Requires 28 credits, 8 of which must be Honors, Dual Enrollment or Advanced Placement.
2. Requires a grade point average of 3.5 or more
3. Requires a score of 1290 on SAT or 29 on ACT

NOTE: Florida students who wish to qualify for the Florida Bright Futures Scholarship must meet specific requirements.

Standard Diploma

The Standard Diploma is aligned with the requirements of the Florida Department of Education for graduation. This diploma is accepted in most colleges and universities. The world language is not necessary for this program, although it is strongly recommended if the student plans to attend college. Students who are not sure about university or professional plans may prefer to obtain this Standard Diploma.

1. Requires 24 credits to earn this diploma
2. Requires no less than 2.0 GPA
3. Take the SAT or ACT or send an exception letter

NOTE: Students wishing to qualify for the Florida Bright Futures Scholarship must meet specific requirements.

Vocational Diploma

The Vocational Diploma is designed for the student who seeks to pursue a career choice that requires preparation but not necessarily a university degree. These students generally show strong creative skills, enjoy working with their hands, find achievements and rewards in working on a job from start to finish. Students will learn specific job skills, customer relationships, business practices and more by participating in a study and training program.

1. It requires 20 credits to obtain this diploma.
2. It requires 6 credits (600 hours) of work study or learning training.
